Beginning right where
the last mini-series left off...

The lessons of history and culture have always been handed down from one generation to the next. Not only do these actions often preserve a proud heritage and tradition, but they sometimes allow the young to gain wisdom and experience from their elders, in the hopes of improving that which came before.

While many have attempted to chronicle their yesterdays in a manner favorable to them, true historians find it is often best to liken history to a prism, an object with numerous points of view, in order to see the whole picture.

As with anything else, the insight that is obtained from those lessons are at best assimilated a bit at a time. With each new piece comes a greater understanding and awareness-- and it is no different with Knuckles The Echidna. Thankfully, in his early stage of learning, he has become aware of how little he truly knows, and how much more he has yet to master.

Since his encounter with a malevolent ancestor calling himself Enerjak, Knuckles has sought to learn more of his heritage in order to better understand his present life... and be better prepared for the future...

While it is true that the current Guardian of The Floating Island can grow, it is equally true that oftentimes, even the best of us can never be completely prepared...

THE KIND THAT DOESN'T TAKE PRISONERS FROM THE LOOK OF THINGS!
SO THAT'S WHAT ALL THE COMMOTION IS ABOUT!
GATHER 'ROUND, GUYS! WE HAVEN'T MUCH TIME!
GOING TOE-TO-TOE WITH THE INVADERS WOULD BE SUICIDAL--
--THEREFORE, THIS CALLS FOR MORE COVERT ACTIONS--

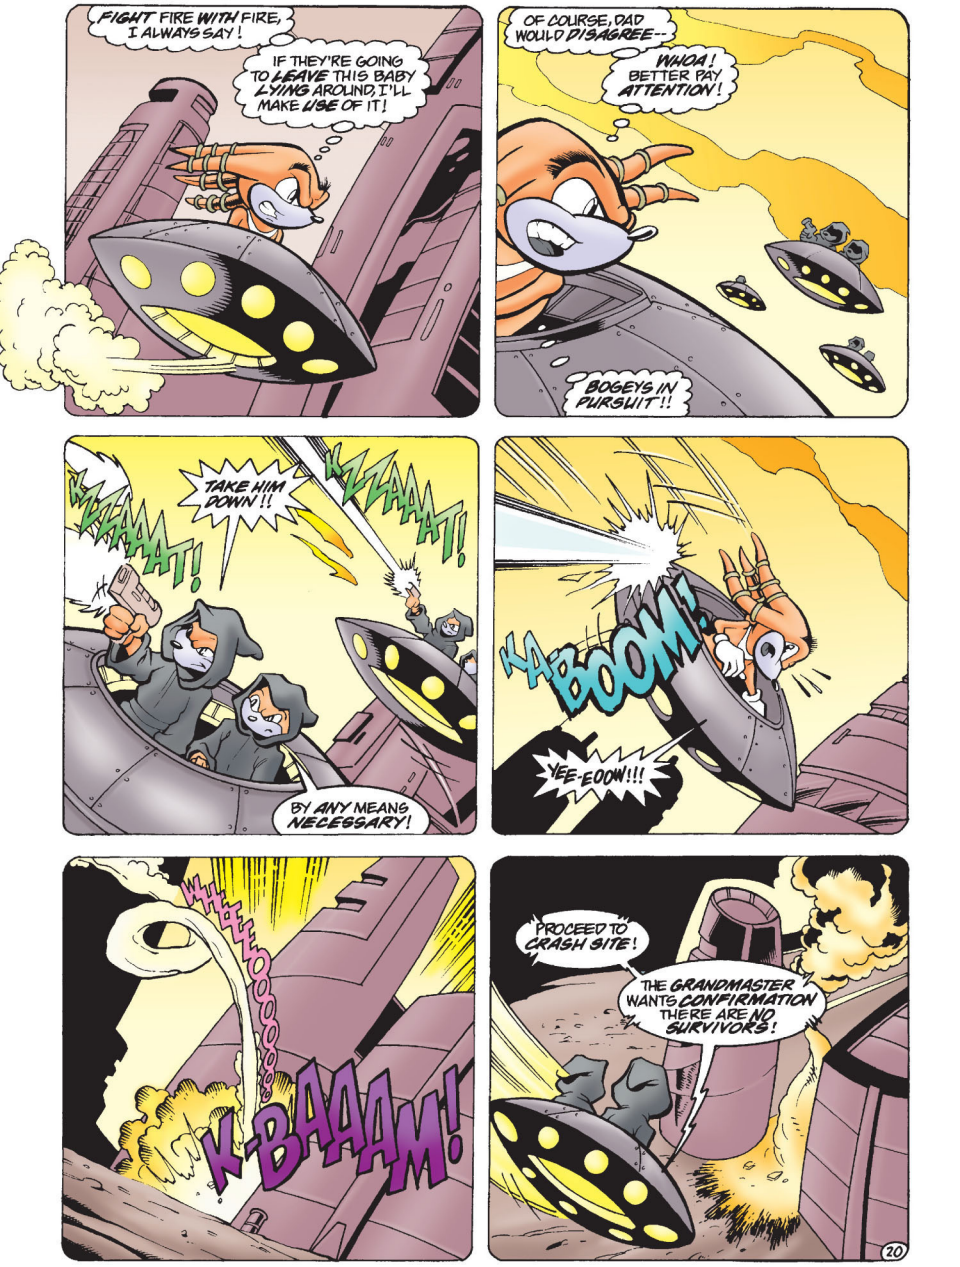
I'M THROWING OUT THE GARBAGE, KNUCKLES--
--BUT IT JUST KEEPS PILING UP!
THEY'RE CRAWLING OUT OF THE WOODWORK, KNUX!
WE NEED A PLAN, FEARLESS LEADER!
EVERYBODY-- DUE NORTH!
WE NEED TO FIND A PLACE TO REGROUP.
"THEY MAY HAVE STRENGTH IN NUMBERS, BUT WE KNOW THE TERRAIN!"



FIGHT FIRE WITH FIRE, I ALWAYS SAY!
IF THEY'RE GOING TO LEAVE THIS BABY LYING AROUND, I'LL MAKE USE OF IT!
OF COURSE, DAD WOULD DISAGREE--

LISTEN UP, ALL OF YOU--CLASP YOUR HANDS BEHIND YOUR HEAD--
--AND DON'T ANYONE EVEN THINK OF BEING A HERO!
NOW--FOLLOW ME!
I'D RATHER TREK THROUGH THE DESERT AGAIN, THANKS VERY MUCH!
I'D RECONSIDER IF I WERE YOU--
AFTER ALL, WE HAVE MORE IN COMMON THAN YOU THINK!
